THE G-21 SCHOOL
PRINCIPAL

- Ensuring quality education: SMCs ensure that children receive quality education.
- Monitoring school functioning: SMCs monitor the school's functioning, including the use of grants, implementation of RTE provisions, and student and teacher attendance.
- Community participation: SMCs encourage community participation in school development.
- Transparency: SMCs maintain accountability and transparency in school functioning.
- Raising awareness: SMCs raise awareness among the community about the rights of children, the duties of the government, and other relevant information.
- Teacher and employee welfare: SMCs are responsible for teacher and employee welfare, including teacher and non-teaching selection.
- Fee structure revision: SMCs deliberate on and approve fee structure revisions.
- Student safety and security: SMCs ensure student safety and security.
- Regular meetings: SMCs hold meetings twice a year.
